

Biography of Paul & Denise Goulet

Pastors Paul and Denise Goulet are the lead pastors of International Church of Las Vegas. With decades of shared experience in ministry, this dynamic couple has a desire to change Las Vegas and the world. Together, Pastors Paul and Denise are the proud parents of three grown children – Isabelle, Christine and Samuel – and grandparents to seven grandchildren. Their goal is to build a solid ministry platform that will effectively reach, reconcile, raise, and release people for generations to come.

With a strong apostolic anointing, Pastor Paul has made it his mission in life to impart the power of the Holy Spirit into leaders worldwide. He travels extensively and has established an international network of churches, Bible schools and pastors, with the ultimate goal of building 2000 churches by the year 2020. As Senior Pastor of ICLV and the author of many books, Pastor Paul's messages of vision and destiny are heard by tens of thousands around the world.

Pastor Denise also travels often and is being used in a powerful way to influence women all over the world. Through her dynamic teaching, she connects with women in practical ways, by giving them challenging principles to change their lives physically, mentally, and spiritually. Her strong prophetic insight coupled with her unique transparency has made her a popular speaker at events around the world.
